## “I AM THE BREAD OF LIFE”

*With Jesus death and resurrection, He liberated humanity from death and I assured them of the resurrection, He over came Satan, the tempter that leads to death and He established the new creation of the children of God, in which all have to eat His flesh and drink of His blood to be purified from sin to deserve eternal life. For this reason He said that the bread He was giving to them would be his own flesh, which would give them life. “I am the living bread that has come down from heaven.*

If Jesus Christ were on earth today, how would he spread his message? The Catholic Communication Campaign (CCC) believes Jesus would use every means available, so it makes use of media outlets to evangelize and promote gospel values. You can truly make a difference right here in our diocese through your donation to today’s collection. Half of all funds collected in our diocese are used for local communications projects such as our national communications projects, please visit [www.CatholicCommunicationCampaign.org](http://www.CatholicCommunicationCampaign.org)
