“The reality of Hell ”

Jesus Mercy goes beyond the understanding of the human mind. His benevolence goes even to the enemies of his Kingdom the opportunity to be with Him remains open to everyone. Any good thing from this world requires sacrifices to be obtained. This is why Jesus wanted to tell us that it is worth to deny oneself, to take up the cross and to mortify oneself as necessary in order to obtain the riches of eternal life.

If you are concerned about the H1N1 virus, no one should feel compelled to engage in physical contact to exchange at the peace at Mass, or reception of the Precious Blood from the Cup. A nod or smile along with a greeting such as “Christ’s peace be with you” can take the place of a handshake if desired.
