You have extra envelopes in your box; if not there are extra envelopes as you enter church. Thank you for your generosity to our church community. If you are new to the parish there are boxes of envelopes in the back of each church, please put your name and address on the envelope for the first few times you use them.

Christ the King will have our Annual Memorial Bake Sale on May 29th at the Peninsula Market from 7-12. This is our big fund raiser for the year. We appreciate your continued help. We will have the usual wonderful goodies, pies, cookies, cakes, breads, candy, and hot rolls. Ladies of the parish, you will be called next week for help.

Results Released of the 2010 Annual Catholic Appeal

As you may recall every winter all parishes of the diocese conduct the Annual Catholic Appeal, which raises much – need funds to assist vital human service programs throughout the diocese, as well as provide funds for the needs of our own parish and community. Twenty – five percent is returned to our own parish. This year throughout the diocese 21,230 people gave a one-time gift or pledge, a one-percent decline from last year. However, the funds raised reflected an eight-percent increase totaling \$2,695,215.

This year our parish’s participation decreased by 11 percent resulting in \$3,224 raised, a 25-percent decrease from last year. This is understandable given the difficult financial times and that we are in the midst of conducting a capital campaign to fund our new church and social hall. May God bless you for your kindness and, through the hundreds of programs assisted, for doing the works of our Lord Jesus. --- Fr. Larry.

Child Abuse Prevention Month Internet Safety for Kids

Internet “instant message” and social network” sites provide an opportunity to engage in conversations with friends and others from around the world. Law enforcement tells us these internet sites are the new schoolyard for child molesters seeking to victimize girls and boys. Young children do not have the maturity to use these advanced technologies appropriately. Teens should be warned and monitored by parents when using these sites. Do you know who all of the people are on your child’s “friend’s list”? If not ask! Teens should never provide personal or private information including their age, name of their school or sports teams or their specific location.
