John 15:9-17

“Love on another as I have loved you”

Jesus gave a new commandment “that you love one another as Jesus loved us”. He demonstrated this love by giving His life for us on the cross in order to obtain the salvation of souls. There is no better way to prove one’s fidelity and love than to give one’s life for another person. To give one’s life for another is to extend the fire of love in charity for another human beings understanding, then turns into forgiveness and extends into action of love.
